2. Mr Gillespie, please accept our sincerest thanks and appreciation for your willingness to assist us with professional and dedicated personnel to act as mentors during the mentioned exercise.
3. CJAX, also referred to as Exercise Uhuru, is an annual Joint, interdepartmental, interagency and multinational exercise, conducted by countries that form part of the sub region (SADC). This year, Botswana, Malawi and Zambia participated as participants to the exercise and Angola, Ghana, Namibia, Uganda and Zimbabwe visited the exercise as observers. The exercise aim is to achieve a thorough understanding of the challenges involved in planning and coordinating a complex, multinational PSO by applying AU PSO doctrine and planning principles successfully to a given scenario.
4. The aim of this exercise cannot fully be achieved without the assistance of professional and knowledgeable mentors who understand and are involved with PSO. Mr Gillespie, you and Mr Roux were very professional and assisted the syndicates with critical and very valid and important inputs. You portrayed a very professional image of your company and this exercise could not have been the success it was without your inputs.
